Party rentals run from 2:00pm-5:00pm (Pavilion rentals during the months of March and November run from 1pm-4pm). Farm programming will begin half an hour after your rental begins and runs for approximately 60-75 minutes (*please see page 2 for details about farm programming*). After all programming is complete, you will have the remaining time for food, cake, gifts, etc. **All parties are asked to be cleaned up and leaving the premises by no later than 5:10pm (4:10pm for parties in March and November). Parties departing more than 10 minutes after the end of their rental time will incur a \$150 afterhours fee.**

Upon booking, hosts make a \$50 **nonrefundable** deposit to secure their desired party date. That deposit will go towards your party upon checking out. We accept cash, check or credit card. Party hosts pay for their party upon departure. Hosts that leave more than 10 minutes after their rental time has ended will incur additional fees.

Party hosts are encouraged to arrive up to one hour prior to the beginning of your rental time to begin decorating. Please be advised that the farm is open to the public prior to your rental time. We recommend asking your guests to arrive at the beginning of your rental time. Farm programming will begin half an hour after the start of your rental time. **Programs beginning later may be altered to account for time loss.**

Party hosts can utilize the circle drive for loading and unloading their vehicles, and then must move their cars to the parking lot. All other party guests should park in the main parking lot that is on the right-hand side when you turn into the driveway. **Please note: Our address spans across both sides of Southwest Highway. Please ensure that your guests know to arrive at the farm (east side), not the lodge side (west side).**

Our birthday parties run **rain or shine**, so please tell guests to prepare for the weather. We do not have an indoor option in the event of bad weather.

There is firewood on the side of the building behind the fireplace. The farm staff can supply you with one starter log and your party will be responsible for starting and tending your fire. Please come prepared with a lighter if you choose to make a fire.

Guests are responsible for having food delivered or bringing their own food. We do not have kitchen facilities available for use. We do not offer freezer or refrigerator space for cakes. **Additionally, there is no alcohol allowed on property.**

### **Program Format for Parties with Up To 50 Guests**

For parties with under 50 guests, you and your guests will receive a private guided tour of the farm where children and adults will be welcomed into the animal pens for opportunities to pet, hold and interact with all of our animals. Then, your group will receive a 15 minute, scenic group hayrack ride around our 60+ acre farm.

### **Program Format for Parties with More Than 50 Guests**

For parties with more than 50 guests, we transition from a guided tour to an “open farm” style party to ensure the best experience for everyone. During this one-hour program, guests are free to explore the farm at their own pace, visit the animals, and enjoy a more relaxed experience. Farm volunteers will be stationed throughout the property to assist with animal interactions and answer questions, and hayrack rides will be running during this time as well.
