Please note that the following dates have limited availability due to other farm events during our 2026 season:

After your party is booked, our staff will contact you with instructions for purchasing additional admission tickets.

Your Pumpkin Playland admission gives you access to the full Pumpkin Playland experience, including:

- Animal Barn
- Hayrack Rides
- Hay Bale Climber
- Corn Box
- Corn Maze
- Spooky Woodshed
- Pumpkin Picking (*pumpkins are available for purchase separately*)

The **\$65 booking fee is nonrefundable** and is required to reserve your party date and time.

Arrival & Parking

Unlike our off-season birthday parties, **vehicles cannot be driven up to the party area**. All hosts and guests must park in the main parking lot and check in at the Admission Table upon arrival.

Please make sure your guests arrive at **The Children's Farm on the east side of Southwest Highway**. Our address spans both sides of the road, with the lodge located on the west side. Guests should **not** go to the lodge.

We recommend asking your guests to arrive promptly at the beginning of your reservation window. **Party time cannot be extended**, and hosts will not be accommodated or compensated for time lost during the reservation period.

All parties must be cleaned up and the party tent must be vacated at the end of the two-hour rental period.

Ticket Pickup

On the day of your party, **the party host or a designated adult representative** should check in at the admissions table to pick up the party's pre-purchased, numbered admission tickets and any meal vouchers. The host or representative is responsible for distributing tickets to guests as they arrive. **Guests should have their party ticket before proceeding to the admissions table.**

Please plan for the party host or designated representative to arrive before the party guests to allow sufficient time for ticket pickup and distribution. If guests are arriving at different times, the host may designate another adult to distribute tickets to late-arriving guests. The host does not need to remain at the admissions table waiting for guests.

Your two-hour reservation is for your reserved party space; **your host and guests are welcome to enjoy Pumpkin Playland throughout the day before and after the scheduled party time.** To make the most of your reserved time, we recommend keeping decorations and setup simple.

Food & Decorations

Because the farm is open to the public during Pumpkin Days, **outside food and entertainment are not permitted.** This includes catering, food trucks, bouncy houses, and similar entertainment.

Hosts may bring:

- Cake or cupcakes
- Tablecloths
- Simple tabletop decorations

Decorations must remain limited due to the shared nature of the party space. Large or elaborate decorations, balloons, and decorations requiring significant setup are not permitted.

We do **not** have refrigerator or freezer space available for cakes.

Hosts may also purchase **\$14 meal tickets** for their guests. Each voucher includes one standard entrée, one bag of chips, and one drink.

No alcohol is permitted anywhere on the property.

Weather & Supervision

Pumpkin Playland birthday parties take place **rain or shine**. We do not have an indoor party option in the event of inclement weather, so please encourage guests to dress appropriately for the forecast.

Because the farm remains open to the public throughout your party, we **strongly recommend a high ratio of adult supervision to children**. Party hosts are responsible for ensuring that children in their group are appropriately supervised throughout their visit.

Pumpkin Playland Birthday Party tickets are valid for use during the 2026 Pumpkin Days season and expire after November 1, 2026. All purchases are nonrefundable and nontransferable.
